WeeWorld, the creator of the WeeMee avatars, has announced that Celia Francis is the new CEO for the company, coming from executive vice president of business marketing for T-Mobile International. Mike Kinsella, the previous chief executive and one of the founders of WeeWorld, remains with the company and will be leading WeeWorld's mobile strategy.

"Francis will lead the company as it embarks on a period of global expansion through strategic alliances, partnerships and presence around the world."
